

Keep the pH Balance in Your Ethnic
Hair all Day
Flat Ironing Crème™
All Natural

Formulated for relaxed or natural ethnic
textured hair

Properties: keep moisture locked in your hair all day, all night, all Week while providing your hair strands with proper pH. Gives your hair swing, body, nourishment, and penetrates the hair shaft with all natural oils and butters. A little goes a long way and adds a salon shine.

This product is formulated for relaxed, chemically treated, and natural Afro textured hair.

Active and inactive Ingredients: Made with a unique soy/protein mango butter, vitamin E, emu oil, keratin, Peppermint oil, and lemon oil. Contains no mineral oil or petroleum/petrolatum

Suggested Use

Shampoo and condition your hair. Towel squeeze your hair. Allow your hair to dry. Apply Flat Ironing Crème to sections at a time as you flat iron. This product produces a high natural looking salon shine.
